[Music starts playing. Blue-sky background lightens up and a mountain of speakers shows up behind the man, then speakers scale up and down following the beat of the music and musical melodies come out of the speakers. The previous button visual fades out and the intro lyrics of the song fades in.]

[Voice of a man starts singing] **“I am me. I’m more than my condition. INVOKANA®.”**

[Singing continues.] **“I’m a rockstar. But there’s more. I’m an artist. That’s for sure. I like to garden. I read to unwind. I’m not one thing. I’m one of a kind.”**

[Singing continues.] **“I can sing. But there’s more than just that part of me. I’m not one thing. I’ll use my voice. To make my choice.”**

[Singing continues.] **“Music’s my jam. But that’s not all. I like to win. And I love watching ball. I’m a family man. I help friends in a bind. I’m not one thing. I’m one of a kind.”**

[Singing continues.] **“I can sing. But there’s more than just that part of me. I’m not one thing. I’ll use my voice. To make my choice.”**

[Singing voice pauses and the music focuses on the instrumental guitar solo.]

[Man continues singing] **“I’m not one thing. I’m one of a kind. I’m so much more. I can’t be defined.”**

[Singing continues.] **“I am me. I’m more than my condition. INVOKANA®.”**

[Singing continues.] **“Woah – oh – oh! Yeah! INVOKANA®!”**

[Singing continues. Song lyrics fade out and a button visual fades in with the text] **“Ask your doctor about INVOKANA®.”**

(Pr) INVOKANA® canagliflozin tablets
